Job Placement

Job Placement rate for program completers (calculations rates are based on calendar year 1/1/2010 to 12/31/2010 which are submitted to the National Accrediting Commission of Career Arts and Sciences)	87.5%
Who is included:	The rate is calculated by taking the number of students who were placed in the industry and dividing it by the number of students who graduated. At the time of the report, completers may be excluded based on the following reasons: deceased, disabled, or deployed for military duty. Some students never become licensed in order to work in the field in which they receive training. The rate includes these students as well.
What type of job:	Any student who becomes hired in a position within a cosmetology related field.
When were they employed:	The school does not maintain data on when a student begins his/her position within the industry.
How were graduates tracked:	The school obtains this information through graduate exit surveys/interviews, notifications by students, and contact with local salons/spas.
